Some states require us to provide the following information to you and to those persons and entities disclosing information about you:

FOR RESIDENTS OF MINNESOTA

This authorization excludes the release of information about HBV (Hepatitis B Virus), HCV (Hepatitis C Virus), or HIV (Human Immunodeficiency Virus) tests which were administered (1) to a criminal offender or crime victim as a result of a crime that was reported to the police; (2) to a patient who received the services of emergency medical services personnel at a hospital or medical care facility; (3) to emergency medical personnel who were tested as a result of performing emergency medical services. FOR RESIDENTS OF NEW MEXICO

The state of New Mexico requires us to provide you with the following information pursuant to its Domestic Abuse Insurance Protection Act.

The accompanying Authorization to Obtain Information allows The Standard Life Insurance Company of New York (The Standard) to obtain personal information as it determines your eligibility for insurance benefits. The information obtained from you and from other sources may include confidential abuse information. "Confidential abuse information" means information about acts of domestic abuse or abuse status, the work or home address or telephone number of a victim of domestic abuse or the status of an applicant or insured as a family member, employer or associate of a victim of domestic abuse or a person with whom an applicant or insured is known to have a direct, close personal, family or abuse-related counseling relationship. With respect to confidential abuse information, you may revoke this authorization in writing, effective ten days after receipt by The Standard, understanding that doing so may result in a claim being denied or may adversely affect a pending insurance action.

The Standard is prohibited by law from using abuse status as a basis for denying, refusing to issue, renew or reissue or canceling or otherwise terminating a policy, restricting or excluding coverage or benefits of a policy or charging a higher premium for a policy.

Upon written request you have the right to review your confidential abuse information obtained by The Standard. Within 30 business days of receiving the request, The Standard will mail you a copy of the information pertaining to you. After you have reviewed the information, you may request that we correct, amend or delete any confidential abuse information which you believe is incorrect. The Standard will carefully review your request and make changes when justified. If you would like more information about this right or our information practices, a full notice can be obtained by writing to us.

If you wish to be a protected person (a victim of domestic abuse who has notified The Standard that you are or have been a victim of domestic abuse) and participate in The Standard's location information confidentiality program, your request should be sent to the same address above.
